CITY CLERK'S OFFICE  
MALDEN, MASS.

Meeting called to order 7:00PM

1. Admin Interviews - Marlies Henderson/Gayle Rockett
  - a. Motion to go into executive session by Member Molis, second my Member DiMarco. All approved.
  - b. Motion by Member Molis to leave executive session. Second by Member DiMarco. All approved.
2. Meeting Minutes
  - a. Motion to table last week's minutes to next meeting by Member Molis. Second by DiMarco. All approved.
3. Old Business
  - a. Member Orsino spoke to Stuart Saginor about the committee's questions and discussed all the accepted pre-applications. Applications cannot be submitted by City Councilors. Stuart will send additional information about Article 97 and bonding.
  - b. High Rock: CPC needs to confirm that the property is not a municipal property. Property needs to be considered "park land".
  - c. Library Archives: CPA is meant for physical work for historical preservation, cannot support staff.
  - d. War Memorial: Ensure it is to fund the restoration of an existing historical marker, not create a new marker.
  - e. Malden ArtLine: CPA can pay for planting bushes, flowers, etc., but can't maintain (look to combine park restoration projects like Linden Square to fall under Artline CPA application).
  - f. Feasibility Study: Funds for affordable housing cannot be temporary, must have lease agreement.
  - g. Linden Fire Station: Requires historical commission approval.
  - h. Adult fitness equipment: Not a stadium, discussed previously the ability to add to park as recreation area.
  - i. Delta Open Space: Probably not CPA eligible because of road/sidewalk. Possibly eligible as a Complete Streets project. CPC wants to follow-up with Stuart on this.
  - j. Roosevelt Park: Previously discussed issues around turf, funding over multiple years.
4. New Business:
  - a. Member Loring: CPC Plan - take draft off of the title of the document and re-post on the website.
  - b. Member Loring: Ask again about linking the Minutes to the CPC website.
