s/ Deborah A. Burke
Secretary

Upon a motion made by Ms. Linehan, seconded by Mr. Foley, the minutes of the Regular Meeting of May 15, 2018 were unanimously approved.

The meeting then moved on to the Report of the Executive Director. Deborah Burke, Director, and MRA Comptroller Karen Bushee presented the MRA budget and parking budget for Fiscal Year 2019. Both were approved under New Business. Also discussed at this point in the meeting were the MRA's and North Suburban HOME Consortium's Audit Management Letters, prepared by the MRA's independent auditors Roselli, Clark & Associates, for the period ended June 30, 2017. The Management Letters support the agency's plan to discontinue the use of net cash flow loans, a funding mechanism used under the HOME program in prior years, commend the work to date in transitioning the HOME loan portfolio to a new mortgage tracking software system purchased by the Authority a couple of years ago, and encourage the Agency to adopt a formal Other Post Employment Benefits (OPEB) plan.

The Executive Director provided to each Board member a copy of the MRA Subrecipient Agreement with the City of Malden. The MRA is required by HUD to have this agreement by and between it and the City since it administers several grants programs on behalf of the City of Malden including the Community Development Block Grant Program, the HOME program, and the Lead Paint Abatement Program. The Board approved this document under New Business. The agreement will be executed by the Mayor and Director Burke.

The Executive Director also advised the Board that Subrecipient Agreements have been drafted for signature by and between the MRA and the various public service providers who will be receiving CDBG funds in Fiscal Year 2019 (July 1, 2018 through June 30, 2019). Under New Business, the Board authorized the Executive Director to execute those agreements.

The Executive Director advised the Board that the MRA had received four responses to its advertised Request for Proposals for Parking Management and Revenue Collection Services at the various parking lots and garages owned by the MRA and currently managed by Laz Parking. An internal subcommittee has been formed to review these proposals and to make a recommendation to the MRA Board of Directors on the parking operator. The goal is to have this process done and a contract executed by August 1, 2018.

The Executive Director distributed to each Board member a copy of the recent monthly report from Laz Parking.

The Executive Director advised the Board that she and a subcommittee had interviewed several candidates for the vacant Senior Planner and Policy Manager's position at the MRA. The Board approved her request to make an offer to one of the candidates and if accepted that they would ratify that action at its next Board meeting in July.

The Executive Director also distributed to the Board various news articles that mentioned projects or activities by the MRA staff and its Board.

The meeting then moved onto Old Business. The Executive Director provided an update on the park improvements currently underway and being funded by Community Development Block Grant Funds. These include the installation of ADA-accessible bleachers and benches at Anderson Field in Ward Seven; covered dugouts at Callahan Park (that work began today) in Ward Two and Pearl St. Park improvements that included drainage improvements and some

landscaping work, yet to be done. The Director also advised the Board that during the installation of the bleachers and benches at Anderson Field that the contractor broke the irrigation lines. The lines have been subsequently repaired by the city's irrigation contractor and will be back-charged to the contractor working on this CDBG-funded project.

The Executive Director provided the Board with an update on the "mural project". Malden Arts received MRA Board approval to install a mural on the Exchange Street side of the CBD Garage, owned by the Authority. The project, the first of several murals by Malden Arts, highlights the illustrations by children's book author and illustrator Ed Emberley, formerly of Malden. The mural provides a colorful back drop for FitzGerald Park, a small pocket park. This park will undergo some renovations this summer and fall with funding set aside in the CDBG budget for Fiscal Year 2019.

The Executive Director advised the Board that she had attended ribbon-cutting ceremonies at Forestdale Park Assisted Living at 341A Forest St. The MRA wrote the Request for Proposals for the sale and redevelopment of this former city-owned nursing home. The Director also sat on an internal committee overseeing the development. Volunteers of America, a non-profit, submitted the winning bid to preserve and re-tool this site for 80 units of assisted living and memory care. There are 40 residents living in the complex at the present time.

The Executive Director told the Board that Habitat for Humanity, Greater Boston, Inc. which has a Purchase and Sale agreement with the MRA to buy 964-968 and 974-1000 Main St. for the construction of two single family homes and a six-unit townhouse on this now vacant, former problem properties site. Habitat and the MRA have extended the due diligence period to July 31, 2018. Habitat plans to close on the two single family house lots by August 31, 2018 and the six unit townhouse by December 31, 2018.

The meeting then moved on to New Business in which the following resolutions were passed:
