On March 29, 2023, Governor Healey signed legislation extending certain COVID-19 relief measures including extending remote meetings for public bodies. The same provisions which permitted public bodies to meet remotely, or convene in a hybrid manner, have been extended through March 31, 2025. This extension allows public bodies to continue to meet remotely or to meet in a hybrid manner, without a quorum of the public body physically present at a meeting location. The law requires that a public body provide "adequate, alternative" access to remote meetings. This meeting will be conducted via remote participation. This meeting will not include in-person attendance by members of the public, but all effort will be made to permit public attendance, in the manner specified below, via remote access by internet, and telephone. Public access will also be provided by posting draft minutes, and/or a transcript, recording, or record of the meeting on the City of Malden website at cityofmalden.org as soon as practicable after the meeting.

Additional information/guidelines for the public can be found here: <https://www.mass.gov/service-details/updated-guidance-on-holding-meetings-pursuant-to-the-act-extending-certain-covid-19-measures>
