On November 22, 2017, Governor Baker signed into law the Language Opportunity for Our Kids Act (LOOK Act). The goal of this new law is to improve the education of English learners (ELs). The law has created more opportunities for input from parents and guardians of English learners in language acquisition programs.

The success of ELPACs depends on building supportive and trusting collaborative partnerships among and between parents, school staff and leaders, and community members. Please go to <http://www.doe.mass.edu/ell/look-act.html> for more information on ELPACs.
