1. Public Hearing re: 46-52 Pleasant Street, aka 50 Pleasant Street (PID # 052-274-410), Building Permit Application for Alterations (CMID-028368-2019)
   Determination whether Building is Preferably Preserved
   Section III (9), Demolition & Alteration Ordinance.

The notice of public hearing was read into the record by Romero.

Petitioner submitted the following documentation and information:

Presentation by Petitioner:
Daniel and Susan Martignetti Daniel and Susan Martignetti, Sr. 47 Swan Road, Winchester, MA, Petitioners for DAM Cambridge Ventures II, LLC, Property Owner. are the petitioners and represent the property owner; the Martignetti’s sons will be the operators of the proposed brew-pub/restaurant.

The proposal is to alter the façade of the building by replacing windows with energy efficient glass and keeping transoms; remove metal panels below storefront windows and install granite panels; granite panels and trim will match existing granite as closely as possible; replace front double doors, keeping transom; replace single door on Pleasant Street, install granite surround; replace door used for emergency exit on Middlesex Street; eliminate “half-sized” door on Middlesex Street, install matching limestone to cover opening; power-wash and repair existing granite and limestone façade.
Petitioners are interested in the history of the bank building and will install a historic plaque commemorating Frank Converse at the front of the building, possibly at the existing deposit box location. The exterior balcony on Pleasant Street will be retained and many interior features, like the bank vault, will be retained and incorporated into the plans. Parking will be provided at the CBD garage.

Petitioners understand that future additional renovations may require further review by the Commission under the Ordinance.

The Commission received the following testimony during the public hearing:
1. Deborah Burke, Executive Director, Malden Redevelopment Authority; letter dated May 28, 2019 in favor of the proposed alterations.
2. Letter dated May 28, 2019 from Mayor Christenson, in favor of the proposed alterations.

No comments were received in opposition to the proposed alterations.

The Commission closed the public hearing.

The Commission received and reviewed the following documentation at the meeting:
1. Correspondence dated May 9, 2019, from Romero to Nelson Miller, Building Commissioner re: Commission’s Determination of Significance re: this Building.
2. Inventory/survey Form B on file with the Massachusetts Historical Commission re: 46-50 Pleasant Street, Malden First National Bank (MHC MAL.241).
3. Special Permit (Case #18-08) that allows use of the property for the proposed brewery and restaurant.

**Decision:** The Commission made the following determination:
The building, as a whole, is a Preferably Preserved Building, however, the following portions of the building that are proposed to be altered are not preferably preserved and the permit for the proposed alterations should not be delayed:
1. Wall below storefront windows (first floor/street level): remove metal panels, resurface with granite to closely matching existing.
2. Front windows (first floor/street level): replace with three panels and transom, install matching granite trim.
3. Doors: replace front double doors and transom, install matching granite trim; replace single door on Pleasant Street, install matching granite surround; replace emergency exit door on Middlesex Street; remove half-size side door on Middlesex Street and install limestone to match existing; replace rear delivery door on Exchange Street; install handicapped accessible door at rear on Exchange Street.
4. Existing granite and limestone façade: clean (“power wash”) and repair.

*Motion by Joseph Cesario, seconded by John Tramondozzi; all voted in favor (4-0).*
