The Department of Veterans Services was recently awarded a \$15,000 grant from the Massachusetts State Historical Records Advisory Board for the restoration of the WWI Monument. Additionally, The Committee has initiated an "Adopt a Veteran" campaign encouraging people to donate \$25 to sponsor a veteran's name to be added to the restored and expanded monument. The project is expected to cost \$50,000.

PROJECT DESCRIPTION: *(Please include what community need this project is trying to address and how this project aligns with CPC goals)*

The Committee's goal is to engage qualified contractors to restore the original plaque and add two additional bronze plaques with the names of 2,294 additional veterans who served in WWI but whose names are not memorialized on any plaque in the City. Only the 527 Edgeworth veterans were included on the existing monument that was dedicated in 1920. The renovated monument would serve to honor those City wide WWI Veterans. The Committee also plans to improve the open space landscaping in the area.

The City has always prided itself on properly honoring its veterans and the additional plaques will serve to recognize all of Malden's WWI Veterans. This is a site of historical significance and the improvements will showcase Malden's history by preserving and enhancing a landmark that honors the men and women who served in WWI.

PROJECT STATUS: *(Please include what level of planning has already been undertaken to inform the proposal)*

The Committee has met monthly since August of 2017 to (1) determine how many WWI Malden veterans are not listed on the current monument; and (2) obtain an architect's rendering at a reasonable cost to get the technical specifications for the new monuments and plaques in order to solicit comparative quotes of three vendors. The Committee also issued a press release on the scope of the project and have begun an "Adopt a Veteran" initiative to encourage residents to spend \$25 to sponsor a WWI Veteran whose name is not yet on the monument.
