

City of Malden

THE DIABETES CARE REWARDS PROGRAM IS COMING

The City of Malden is committed to your health and wellness.

As part of your benefit package, if you or a family member enrolled in a City of Malden active health plan are living with pre-diabetes or diabetes, you can join the **Good Health Gateway®** Diabetes Care Rewards Program at no cost.

Get rewards for participating in the Diabetes Care Rewards Program.

The program helps participants effectively manage their diabetes.

When participants see their doctors to have important diabetes labs and exams and have a conversation with a **Good Health Gateway** Diabetes Educator, they **get \$0 copays on covered diabetes medications and supplies. This saves participants hundreds of dollars a year!**

THE DIABETES CARE REWARDS PROGRAM LAUNCHES

June 1, 2021

MORE INFORMATION COMING SOON

Information about the program and how to join will be sent by first-class mail to your home from the **Good Health Gateway** administrators in June 2021.

The Diabetes Care Rewards Program is voluntary and confidential. None of your personal healthcare information is ever shared with the City of Malden.
