

City of Malden Complete Streets Priorities

Join us to share your ideas & knowledge

Wednesday, March 29 | 6:00–7:30 PM
Malden Senior Center - 7 Washington Street

The City is pursuing funding from MassDOT to improve safety on Malden's streets for walkers, bikers, transit users, and those with physical disabilities. Join the City's Complete Streets Task Force and the Metropolitan Area Planning Council to hear more about the funding program and the required application.

After a brief presentation, we'll ask you to share your thoughts on potential locations for projects, and share our next steps in the process.
